Angel Prayers

Romo and Falbo tracked the progress of students in Austin, Texas, from to Drawing on interviews with the students and their parents, school records, and fieldwork in the schools and communities, the authors identify both the obstacles that caused many students to drop out and the successful strategies that other students and their parents pursued to ensure high school graduation. Given that we have no way of knowing whether or not the planetary ecology is truly in crisis, and that it is impossible for us to ascertain whether our present ways of doing business can be made compatible with environmental sensitivity, we as a business community have some hard thinking to .
