Would you like us to take another look at this review. In most contributions collected in this volume, the influence from European and American philosophy can be felt. At least that was the case when I was in high school... The most interesting part is that all of that is created artificially, in our own imagination. Aber der ist ein gerissener Hochstapler Als das Dorf durch eine Schneelawine von der Aussenwelt abgeschnitten wird, kann niemand mehr entkommen.

Not only for myself but for my mother who also endured this abuse from my father A.
