This is one big social experiment and I have no idea where it leads or what comes of it. Earlier studies of Jubilees, such as those of Charles Martin and Böhler were composed prior to the discovery of the Qumran Scrolls, and therefore necessarily present only a partial picture of the place of Jubilees within the context of Second Temple literature. That is why when committed citizens speak with fire in their hearts, people know it.

We were dropping like flies before antibiotics and other medical staples. It's initially uncertain whether the case is a suicide, or a murder, but once the latter is established, a complex case gets underway. The surprise at the end of the story is spoiled in almost every single title. Reimagining of the life of Elaine of Tintagel Arthur's third and oft' forgotten sister. Her Cowboy's Christmas Wish. Your plot will now be raised about a foot above ground level, and will feature the deep, loose, and fluffy soil that will allow roots to grow straight
